Training and Education (Subcommittee Chair – Holly Young, VanBuren/Cass; committee members: Alyse Nichols, St Clair; Jill Keast, Muskegon)

Next training session will be held on Thursday, August 3rd from 11-noon with guest speaker Dr. Annette Mercatante, MPH, MD presenting on Adverse Childhood Experiences (ACES). Following that presentation will be Oakland County in October speaking on Social Media.

- Reminder that folks who attend these sessions can receive CHES credits. We
 have not had many claiming these credits. It was decided that these trainings
 can be pushed out to other employees within LHD's who may not participate
 on the monthly calls.
- Moving forward, meetings where CHES credits will be available will be labeled as such in the email header.

Old Business

- Annual Meeting Discussion: Looking at holding an in-person meeting this summer for HEP Forum members. Potential dates include July 27th or August 3rd. It would be an overnight stay in or around Gaylord at either Tree Tops or Otsego Resort. Prices for lodging and food were sent along with the May agenda. Group requested a summary of the event be created so members can present to their leadership for approval.
- Meet and Greet: Looking at having a Meet and Greet for HEP Forum members at the MI Premier Public Health Conference in the fall. Proposed time is 4-6pm at the hotel conference center where there will be snacks. The agenda would include an ice breaker and networking. An estimated cost for snacks for 20 people came out to nearly \$700. Discussion on if we could cut down the number of snacks offered and/or have members meet at a restaurant and pay for their own meal. It was determined a survey will be created asking members which event (Annual Meeting or Meet and Greet) they would prefer attending so we can be mindful of cost and planning time.
- Website (Roadmap to Health Fact Sheets): Jill Montgomery has started going through and replacing Roadmap to Health Fact Sheets with links to reliable sources. She is looking for feedback and will be sending out the document shortly via email.
