

Billing Forum Meeting

May 10, 2023

Facilitated by: Taylor Hart – Monroe County taylor.hart@monremi.org

Meeting Minutes: Katie Hensley – Washtenaw County hensleyk@washtenaw.org

Additions to agenda

- No additions

MIHP – Telehealth Requirements & Changes

- Washtenaw reached out to Patagonia to see if they are building any kind of report to help with tracking
- The MIHP Q&A that was recently sent out stated that all claims billed after 5/12 need to use the POS for where the client is located and either the 93 or 95 modifier, rather than 02 with GT/FQ. Erin reached out to the state to confirm if this is the case or if it is supposed to be based off of date of SERVICE

COVID Vaccines – Allegan & Ottawa County

- Can we bill for the admin fee even though we get state funding for covid?
 - Yes

GAAC

- Kate reached out to Baker College but has not heard back. Katie at Washtenaw will try to contact someone at Washtenaw Community College
- Steve reached out to health plans to see if anyone from their side would be able to come to the conference – he has not heard back. Will be doing focus groups with the health plans and bring this up there as well
- Nicole Salva has been invited to the conference and the billing calls

June Meeting

Rescheduled to 6/21

Roundtables – Questions or Concerns

- If you emailed Steve about codes for MIHP, please resend your email for him to follow up
- MIHP POS for telehealth is based on where the client is located. If they are in their home while doing the call, use POS 12
- Sounds like this is the new norm going from GT to 93/95 for all services, not just MIHP
