

CHAMBERS OF COMMERCE

Taking Action for Health

Health is a community effort. Every organization has a role to play.
What can your chamber of commerce do to promote Health for All?

PROMOTE UNDERSTANDING OF PUBLIC HEALTH

- Invite public health leaders** to present at Chamber meetings.
- Distribute public health announcements** to Chamber members.
- Incorporate public health messages** in your communications; follow your LHD on social media and repost messages.

PARTNER WITH YOUR LOCAL PUBLIC HEALTH DEPARTMENT

- Include your LHD** in Chamber meetings and events.
- Participate in your LHD's community health assessment**, and inform your LHD of Chamber members' needs and concerns.
- Encourage Chamber members to support local public health efforts** and initiatives.
- Encourage members to advocate** for policies that promote healthy environments.
- Support public health funding efforts.**

PROMOTE HEALTH FOR ALL

- Encourage members to promote employee health and wellness.** Connect members to state and national healthy workplace resources.
- Encourage members to embed a community health worker (CHW)** into HR work systems.
- Encourage members to support in-house policies** and insurance plans that make it easier for employees to access health and behavioral care.
- Encourage members to offer space for health screenings** and other public health efforts.

When public health works, people live longer, healthier lives.
