NOTES FROM NOV. 2025

- **stay tuned!** – a small set of **standardized questions** that could be used by LHDs in CHAs
- **presentation** from Kim Moore, IT Application Specialist at Ottawa Co Health Department, on using **PowerAutomate** to streamline data collection and feedback loops
  - [see pdf copy of slides attached to email]
  - reminder: PowerAutomate is looking for data formatted as a *table*, not just normal spreadsheet formatting
  - OCHD has ~100 automations, including monthly caseload checks and "next available appointment" clinic accessibility checks
- woohoo to LCHD for their NACCHO model practice! Recording of the **hybrid waiver presentation here**

reminder – no meeting in December 2025
happy holidays!

- other notes:
  - the Network for Public Health Law is hosting a webinar on Nov. 20th – *Counting Everyone, Counting Correctly*
  - County Health Rankings & Roadmaps has updated its data for some clinical measures – see more here
