...with a session on hybrid waivers + an R workshop!

NOTES FROM SEPT. 2025

- **new project!** – a small set of **standardized questions** that could be used by LHDs in CHAs
  - a standard of question + method + tool could lead to output data with stronger comparability
  - this was a point of interest from the CHA/CHIP Process Assessment
  - over the next few monthly meetings, we'll have specific questions to discuss and vote on
- **presentation** from the MDHHS MODA team on their current projects and workgroups
  - Haley Kehus – kehush@michigan.gov
  - Jacob Moosekian – moosekianj1@michigan.gov
  - Katie Larder (Power BI User group) – larderk@michigan.gov
- woohoo to LCHD for their NACCHO model practice! Recording of the **hybrid waiver presentation here**

SAVE THE DATE!
