HEALTH EDUCATION & PROMOTION FORUM GOALS

Goal I: Member Effectiveness

Increase and sustain the involvement, commitment, and accountability of MALPH's HEPF members by ensuring relevance of the association's priorities and goals to the membership and assuring active participation in accomplishing them.

Goal II: Policy Development and Advocacy

Advocate for key public health legislative issues in coordination with MALPH's legislative agenda

Goal III: Inform and Educate

Monitor and offer guidance to MALPH concerning technical issues and developments in areas pertaining to health education and promotion, as well as develop and implement a communication strategy to raise the awareness of public health in Michigan.

Goal IV: Model Practices

Promote evidence-based interventions to improve the health of Michigan.
