

Community Violence Intervention (CVI) as a Public Health and Public Safety Strategy for Michigan Communities

Anita Haynes, MPH

Program Coordinator – MDHHS OCVIS

Our Mission

The Michigan Department of Health and Human Services (MDHHS) Office of Community Violence Intervention Services (OCVIS) equips communities across the state with resources and support to create safety, encourage healing, and save lives through a public health approach to gun violence reduction.

Tolulope Sonuyi, MD

Director, Detroit Life is Valuable Everyday (DLIVE)
Emergency Medicine Physician, Detroit Medical Center
Assistant Professor, Wayne State University

Paul Elam, PhD

Chief Strategy Officer, Michigan Public Health Institute
(MPHI) | Local Operator, Advance Peace Lansing

Questions?

A thick, hand-drawn orange line that spans the width of the text above it, positioned below the word "Questions?".

Thank you!
