

The CDC Foundation is working with MDHHS to immediately hire staff to support COVID response at the state and local public health. CDCF can immediately recruit and hire staff (see list of types below), and will **cover salary, benefits, laptops and software** to support your staffing needs. CDCF will also hire local people from your jurisdiction if needed/requested. CDCF will cover costs through July 2022.

CDCF is working through MDHHS to compile hiring requests by LHD jurisdiction. **To indicate interest, please submit the following information to MDHHS-LocalHealthServices@michigan.gov by Wednesday August 25 at 5pm:**

1. LHD Name
2. Types of staff requested (examples below)
3. Number of each type of staff requested.
