

Our annual Cannabis in Practice Webinar Series is one week away! This webinar series is aimed at addressing questions our local and regional healthcare providers have about cannabis use and their patients. For event and registration details, visit: <https://bit.ly/CannabisInPractice>. To view our main cannabis webpage, visit: <https://milivcounty.gov/health/health-education-and-promotion/cannabis/>. This webinar series is free to attend. Presentations will be recorded and available on our website later this summer.

The Washtenaw County Health Department and Livingston County Health Department are facilitating this webinar series in partnership with the Washtenaw County Medical Society. This work is supported with grant funding from the Michigan Department of Licensing and Regulatory Affairs (LARA) [Cannabis Regulatory Agency](#).
