

**COORDINATING WITH
EMERGENCY MEDICAL
SERVICES
TO SUPPORT
INFANT SAFE SLEEP
AND MORE**

Sept 16, 2020, 1 to 2:30 PM

The training will cover a variety of topics related to the Emergency Medical Services (EMS) system in Michigan, including an overview of the following programs:

EMS System

Community Paramedicine Program

EMS for Children

Pediatric Champions

D.O.S.E Training

[Click Here to Register for the Training!](#)

Meeting information will be provided once your registration is complete.

There will also be time for brainstorming on how Local Health Departments and local agencies can connect to EMS to support infant safe sleep and other health programs.

Presenters:

Terrie Godde, BS, CCP, EMS-IC, Education Coordinator

Dr. Samantha Mishra, DO, MPH, EMS for Children Coordinator

Kristine Kuhl, BAS, M.Com, EMT-P, EMS-IC, Community Paramedic Coordinator
