Drinking Water Survey - Introduction Message

Tell us about your home's drinking water

Hello there!

The Michigan Department of Health and Human Services (MDHHS) is looking for Michiganders to answer a few questions about their home's drinking water.

Who can take the survey? Michigan residents 18 years and older

Why should I take the survey? Answering these questions will help MDHHS provide important drinking water information to protect you, your family, and your community's health.

How long is the survey? The survey will only take about 10 minutes of your time.

Prefer a printed copy? Call us at 844-934-1315 and we will send you a printed survey with a postage-paid return envelope. Printed surveys are available in English, Spanish, and Arabic.

What you know and think about your drinking water is very important to MDHHS. Thank you in advance for your time.

Take the Survey Now!
Available in English and Spanish.
