Seeking a temporary 30-40 hours organized, detailed oriented, pragmatic, and collaborative Environmental Health Assistant to join the environmental health team based in our Mason County Office.

General Responsibilities

- This is a 30-40 hour a week temporary position and will last until September 1, 2026.
- Performs collection of water samples at 21 Lake Michigan beaches and Inland Beaches.
- Each beach will be tested weekly.
- Recording all results into state database.
- May assist laboratory staff with preparing water samples for analysis.
- Other duties as assigned.

Minimum Requirements

- High School diploma or GED.
- Ability to type accurately and efficiently and navigate computerized databases and complete data entry.
- Ability to retrieve and manage data collection of water samples.
- Reliable transportation with valid Michigan driver's license and certificate of insurance to travel to other locations for work.
