The general mailbox EGLE-EH@Michigan.gov is for document submittal such as:

- Onsite Wastewater Quarterly Reports
- P3 Quarterly Reports
- P3 Self Assessments
- Noncommunity Self-Assessments
- Campground Inspection Reports
- Pool Inspection Reports
- Water Well Violation Notices/Orders to Correct Letters
- Source Water Assessments (including payment requests)

For ease of processing, please scan each program's documents in separate PDF files and send in separate emails (for example, send campground and pool inspections in two different emails). They do not need to be mailed or faxed if sent via email.

Continue to address site-specific email correspondence to your designated program staff's email address.

Also, continue to email the EGLE-WATERTRACK@Michigan.gov (for LHD quarterly payment requests and general IT support for WaterTrack Users).
