Attn: Human Food Division Managers

**FROM:** Jennifer Bonsky, Human Food Division Director, MDARD   
  
Justin Henderson, Enteric Illness Epidemiology Section Manager, Bureau of Infectious  
Disease Prevention, MDHHS 

**DATE:** July 16th, 2025

**SUBJECT:** ***MDARD / MDHHS Epi-Ready Foodborne Disease Outbreak Team Training***

The Michigan Department of Agriculture and Rural Development (MDARD), Human Food Division, and the Michigan Department of Health and Human Services (DHHS), Division of Communicable Diseases, have scheduled an Epi-Ready Foodborne Disease Outbreak Team Training to take place on **September 23 and 24, 2025**, at the **AgroLiquid Conference Center (3055 W M 21, Saint Johns, MI 48879)**.

**Course Description**

The intention of this two-day workshop is to train public health professionals and other involved personnel to rapidly identify and investigate a foodborne disease outbreak to allow for (1) swift implementation of control measures to stop the outbreak, and (2) prevent future similar outbreaks. This course promotes highly trained epidemiology, laboratory, and environmental health workforces skilled in properly conducting foodborne illness investigations. Topics are covered through a combination of lecture, question and answer sessions, interactive group exercises, and final case study.

**Participant Guidelines**

This training is focused for public health professionals with one to four (1-4) years of on-the-job experience involved in outbreak investigations including: environmental health specialists/sanitarians, epidemiologists, infectious disease control staff, public health nurses, laboratorians, emergency preparedness coordinators, and others. *The maximum number of participants is 35 per session.*

**Cost**

There is no charge for this course. Continuing education credits for Nursing (14.00) will be available. Additionally, you may apply for contact hours through NEHA upon completion of this course.

**Registration**

Please fill out the Epi-Ready Interest Form at: <https://forms.office.com/g/qeKcVqMNpJ> to register for the course or place yourself on the wait list for future courses. At this time, we request that participants who have recently taken Epi-Ready or Outbreak-Ready do not register for the course again. Once this course is filled, you will receive a confirmation email. If you have any questions or concerns, please reach out to Lauren Edwards at [EdwardsL8@michigan.gov](mailto:EdwardsL8@michigan.gov) or Cole Burkholder at [BurkholderC1@michigan.gov](mailto:BurkholderC1@michigan.gov).
