

Hello,

My name is Phoebe Kulik and I am the Senior Director of Workforce Development with [Public Health Prepared](#). We are working with the [Michigan Public Health Institute](#) (MPHI) to convene focus groups of professionals to discuss knowledge, skill, and capacity gaps related to infectious disease and/or emergency preparedness and response.

You were identified as a possible focus group participant because of the unique perspective and expertise you have as an infectious disease and/or emergency preparedness and response professional or researcher. **We would like to invite you to visit the following link to sign up for a 90-minute focus group and share your important insights and experiences.**

Focus groups will be held on the following dates; **please sign up for one slot** that works with your availability and area of expertise.

- Infectious Disease Emergency Preparedness – May 22nd from 1-3pm
- Immunizations & Emergency Preparedness – May 24th from 9-11am
- Zoonotic Infectious Disease & Emergency Preparedness – June 1st from 2-4pm
- Infectious Disease Emergency Preparedness – June 8th from 11am - 1pm
