Dear Health Officer Joynes,

In response to a request from the Michigan Association for Local Public Health Executive Board to provide clarity regarding payments from the Local Community Stabilization Authority for reasonable and allowable costs of required and allowable health services described in MCL 333.2475 not otherwise reimbursed, the Michigan Department of Health and Human Services has worked with the Local Community Stabilization Authority to provide the attached guidance document. The guidance document is intended to answer the most frequently received questions that apply across the local public health system. Local Health Services has agreed to partner with the Local Community Stabilization Authority to collect and respond to remaining questions that local health departments or local governing entities may have. Please submit any questions to MDHHS-LocalHealthServices@michigan.gov.

Sincerely,

A handwritten signature in blue ink that reads "Laura de la Rambelje".
