

Greetings, Partners,

We are pleased to announce this funding opportunity and ask that you share it with your partners and listservs.

The Michigan Family Planning Program has released a [Request for Proposals \(RFP\)](#) to support local infrastructure to ensure statewide access to high-quality, client-centered reproductive health care services for individuals and couples to achieve their reproductive goals for family size, spacing of their children, or pregnancy prevention at low or no cost.

Grant applications must be submitted electronically through EGrAMs by **3:00pm EST on July 13th, 2022**. Successful applicants will be funded for an initial three-year cycle, with the initial annual agreement covering October 1, 2022 through September 30, 2023.

A pre-application conference will be held to discuss this funding opportunity and provide instruction on using EGrAMs for this application submission. The pre-application conference will be held on May 26th, 2022 beginning promptly at 9:00am EST, and will last approximately 90 minutes. The conference can be accessed at <https://bit.ly/3LS5Hvq>.

The complete RFP can be accessed at the [EGrAMs website](#), under “Current Grants” section under the “Public Health Administration” link and selecting the “MiFPP-2023” grant program.
