LARA-BMR

5 Key Points

- Michigan program implementation ongoing
 - Michigan Medical Marihuana Act – patient & caregiver registry
 - Medical Marihuana Facilities Licensing Act – board and advisory panel
 - Michigan Regulation and Taxation of Marihuana Act
- Medical administrative rules – effective 11/27/2018
- Statewide monitoring system – METRC
- Marijuana-infused product is not food, or is it?
- Commercial versus personal use

Medical Facility Licensing

- Prequalification – Entity/Individual
 - Applicant, supplemental applicant(s) and true party of interest
 - Background investigations
 - Board approval
- State Operating License – Facility
 - Plan review
 - Site inspection
 - Local authorization
 - Board approval

Medical Facility Regulation

- Compliance inspections
 - Routine
 - Renewal
 - Change applications
- Audits – Dept. of Treasury
- Complaint investigations
- METRC – statewide monitoring system
 - NCS Data Analytics

Adult-Use Facilities

- Required to accept applications beginning 12/6/2019
- Administrative rules needed
- Industrial hemp vs. marijuana
- Microbusinesses

Resources

- State Police MIOC 1-877-616-4677 or MIOC@michigan.gov for any criminal activity
- Local Municipality: Location (i.e. in a residential neighborhood, near a school)
- BMR Enforcement: 517-284-8597 or LARA-BMR-Enforcement@Michigan.gov for regulatory issues
