

PUBLIC HEALTH—INFECTIOUS DISEASE QUARTERLY GRAND ROUNDS

Designed to bring the infectious disease (ID) and local public health communities together to discuss pertinent outbreaks/public health threats. Jointly hosted by the Michigan Infectious Disease Society (MIDS) and the Michigan Department of Health and Human Services (MDHHS).

We encourage participation from local public health departments and infectious disease programs around the state.

**Wednesday, September 13
12 p.m. – 1 p.m., EDT**

Topics to be presented:

**Syphilis and STI Trends
TB Infected Bone Graft**
