

PUBLIC HEALTH—INFECTIOUS DISEASE QUARTERLY GRAND ROUNDS

Designed to bring the infectious disease (ID) and public health communities together to discuss pertinent outbreaks/public health threats. Jointly hosted by the Michigan Infectious Disease Society (MIDS) and the Michigan Department of Health and Human Services (MDHHS).

We encourage participation from local public health departments and ID programs around the state.

**Wednesday, June 21
12 p.m. – 1 p.m., EDT**

Topics to be presented:

**Blastomycosis in Escanaba
Haemophilus Influenzae in Detroit**
