

MIGRATION HEALTH INITIATIVE

SEEKING REPRESENTATIVES FROM HEALTH DEPARTMENTS

to participate in focus group discussions to explore the relevance, success factors, and challenges of designing effective **Hepatitis B (HBV) screening and vaccination** resources tailored for immigrant and migrant communities.

What you'll do

- **Contribute** to advancing HBV screening and vaccination strategies
- **Share** your department's experiences and learn from others
- **Shape** resources that address the unique needs of immigrant and migrant communities

What to expect

- **90 minute conversation** with up to 4 other health department representatives from across the U.S.
- **\$100 honorarium** to recognize your time
- **Scheduling**: Conversations will be held during the weeks of Nov 11 and Nov 18, over Zoom

How to sign up

If your department is interested in participating, you can sign up at z.umn.edu/healthdepartment <<

THE **TASK FORCE** FOR
GLOBAL HEALTH

The Migration Health Initiative is a partnership between the Task Force for Global Health and the National Resource Center for Refugees, Immigrants and Migrants (NRC-RIM). Learn more at taskforce.org/mhi.
