Examples of other EGLE Programs

• Drinking Water and Environmental Health
  – Community Water Supply (Act 399)

• Water Resources Division
  – Large quantity water withdrawals (Part 327)
  – >10,000 GPD wastewater construction permits (Part 41)
  – Groundwater discharge permits (Part 31)
  – Soil erosion and sedimentation control (Part 91)

• Remediation and Redevelopment Division
  – Contamination sites including vapor intrusion (Part 201 and Part 213)
  – Environmental and Drinking Water Laboratory

• Waste Management and Radiological Protection Division
  – Indoor radon testing

• Emergency Management

• Pollution Emergency Alerting System (PEAS) 1-800-292-4706
EGLE Program Contacts

EGLE Support

Environmental Emergencies
To file an Environmental Complaint call 800-292-4706. If you need to report an environmental emergency situation, please dial the 24 hour Pollution Emergency Alert System (PEAS) at: 800-292-4706.

During daytime hours, you may also contact the appropriate district office directly.

Report a Spill Release
