

DETROIT RESTAURANT AND BAR SCENARIOS UNDER EXECUTIVE ORDER 2020-143

(Closing indoor service at bars)

Restaurant and Bar Scenarios Under Executive Order 2020-143

“To protect our state from a new wave of infections and to increase the likelihood that we can reopen schools in the fall, this order closes bars and nightclubs for indoor service in those regions that are in Phase 4 of the Michigan Safe Start Plan. Restaurants can remain open for indoor service, but alcohol can be served only to patrons who are seated at socially distanced tables. Common areas where people stand and congregate within restaurants must be closed. Restaurants and bars may remain open for outdoor seating, but only for seated customers at socially distanced tables.”

Restaurant with bar: More than 70% gross revenue from alcohol	Restaurant with bar: Less than 70% gross revenue from alcohol
▪ Bar is closed to customers ▪ Outdoor service only (Patio/Al Fresco/ 50% of Private Parking Lot) ▪ Alcohol can be brought to table outside ▪ All patrons are required to remain seated to be served	▪ Bar is closed to customers ▪ Customer can be served food or beverages at their table by staff ▪ Patrons must be seated at socially distanced tables ▪ All patrons are required to remain seated to be served
Bar with no outside seating: More than 70% gross revenue from alcohol	Restaurant only: No liquor license
▪ Bar is closed ▪ Carry-out is possible ▪ Patrons must be seated at socially distanced tables ▪ All patrons are required to remain seated to be served	▪ No change ▪ Patrons must be seated at socially distanced tables ▪ All patrons are required to remain seated to be served

Nightclub & Bar Regulations per Executive Order 2020-143, 110 & 114

Executive Order Highlights:

- Tables must be spaced so that the customers at adjacent tables are at least six feet apart, this will typically mean the tables should be eight to nine feet apart.
- All patrons are required to remain seated at their tables or bar tops, except to enter or exit the premises, to order food (not alcohol), or to use the restroom.
- Indoor waiting areas are prohibited.
- Incorporate physical guides such as tape on floors/sidewalks and post signage reinforcing social distancing.
- Post signage at entrance informing customers who are/were sick to not enter.
- Post signage at entrance informing customers to wear face coverings whenever away from their table.
- Educate customers on the importance of social distancing and restaurant/bar safety practices and precautions via pamphlets, signage, etc.
- Clean high-contact areas between customers (tables, chairs, payment tools, etc.).
- Close restaurant immediately if an employee shows symptoms of COVID-19.
- Install physical barriers (sneeze guards and partitions at cash registers, bars, host stands, and other areas) where maintaining physical distance of six feet is difficult.
- Implement a reservation system to keep track of customers, which will also aid in the contact tracing process should a person with COVID-19 patron your establishment.
- Adult entertainment facilities are closed.
- Dance floors, arcades and similar venues are closed.

All restaurants and bars are responsible for following regulations throughout the **interior of facility**, at any **outdoor dining areas**, and any **lines** formed to enter the facility.

Restaurant and Bar Scenarios

Restaurant and Bar: More than 70% gross revenue from alcoholic beverages

(To calculate percentage of gross receipts of sales from alcohol, utilize gross receipts from 2019. If establishment was not in operation in 2019, utilize gross receipts from the date the establishment opened.)

- Indoor seating is closed to customers.
- Outdoor Service only via patio, Al Fresco, and 50% private parking lot (must apply for outdoor dining permit and outdoor liquor license).
- Alcohol can be ordered and brought to the table outside by wait staff.
- All patrons must be seated to be served.
- Dance floors and social gathering areas are prohibited.
- Carry-out alcoholic beverage is allowed but must be consumed at approved areas away from the business via City of Detroit Ordinance.

- Tables must be cleaned and sanitized between each party.
- Patrons are prohibited from entering the establishment, except to walk through in order to access the outdoor area, to leave the establishment, or to use the restroom.
- Patrons must wear a mask when entering the facility and may remove their mask once they are seated.
- Employees must wear mask at all times (frequent breaks will be needed).
- Reservations are recommended.

Restaurant and Bar: Less than 70% gross revenue from alcohol

(To calculate percentage of gross receipts of sales from alcohol, utilize gross receipts from 2019. If establishment was not in operation in 2019, utilize gross receipts from the date the establishment opened.)

- Walk-up bar service is closed to customers.
- Bar seating is allowed as long as the chairs are spaced six feet apart from each other.
- Carry-out alcoholic beverage is allowed but must be consumed at approved areas away from the business per City of Detroit Ordinance.
- Customers must be served food and beverages at their table by wait staff.
- Tables must be cleaned and sanitized between each party.
- Dance floors and social gathering areas are prohibited.
- Patrons are prohibited from entering the establishment, except to order carry out or use the restroom, and must wear a mask when entering the facility.
- Employees must wear mask at all times and should be allowed frequent breaks.
- Outdoor service via patio, Al Fresco is allowed.
- Fifty percent private parking lot may be used for outdoor dining. (Must apply for outdoor dining permit and outdoor liquor license).
 - Upon approval of the Limited Permanent Outdoor Service Area Permit, the licensee must post the permit/letter.
- Patrons may access the rooftop (permanent outdoor service area) but must adhere to the social distancing order.
