

Bridges Out of Poverty Summit

December 6, 2017

Healthcare Professionals and Managers 8:30-10:30am

- Communicate better with patients who have limited resources and improve health outcomes
- Implement policies and practices that can help achieve the Triple Aim
- Learn how to move the needle on population health to create a healthier community

Executive and Administrative Leaders 11:30am-1:30pm (Lunch Provided)

- Understand how building an individual's resources strengthen the workforce & businesses
- Learn how your organization can shift policies and programs to meet the needs of individuals with limited resources

Cross-Sector Community Leaders and Professionals 2:30-4:30pm

- Learn how to adjust communication and programs to help people who have limited resources
- Make the shift from giving resources to building resources
- Discuss how all sectors of the community can make an impact on poverty
