As local public health, we protect and promote the highest level of health possible for the communities we serve. Our positive work culture is strengthened by our commitment to making all employees feel valued and respected.

Our Values:

- Community-focused
- Grounded in teamwork
- Accessible, Approachable, and Authentic
- Dedicated to and passionate about Public Health

### What we offer:

- Family-first company culture with great PTO (27 days your 1st yr)
- 12 Paid Holidays
- Close at 12pm on Fridays
- Competitive health insurance - 2 options for staff to choose from
- Deferred Compensation plan w/ employer match
- "Dress For Your Day" dress code
- Professional development opportunities

*Seeking a passionate Public Health Nurse to join the Van Buren/Cass District Health Department serving our community through teamwork, compassion, and a commitment to public health.*

### Key Responsibilities

- Deliver comprehensive public health nursing services using assessment, planning, implementation, and evaluation frameworks
- Promote health and prevent illness through education, and community based interventions
- Provide nursing care in homes and clinics, including immunizations, disease control, lead prevention, and adolescent health services
- Collaborate with healthcare providers, social service agencies, and community partners to address public health needs
- Provide support care through active listening, client advocacy, referrals, and follow-up
- Maintain accurate documentation of client interactions, care provided, and ongoing case activities

### Attributes We Value

- Strong foundation in nursing theory, clinical skills, and public health practices
- Knowledge of communicable disease epidemiology, public health laws, and regulatory requirements
- Effective problem-solving skills and ability to apply clinical judgment in diverse settings
- Proven ability to build collaborative relationships with clients, colleagues, and community partners
- Commitment to professional development and adaptability during public health emergencies

### Minimum Requirements

A bachelor's degree in nursing with a Registered Nursing License in the State of Michigan and two years of Community Nursing or Public Health Nursing Experience OR Registered Nurse in the State of Michigan and an accumulated total of at least three years of RN experience preferably in a community or Public Health setting
