Notification of Multiple Marijuana Products Recall

The Bureau of Marijuana Regulation (BMR) is issuing a health and safety advisory recall due to the sale of marijuana which failed laboratory testing.

The products were sold between 11/14/2018 and 1/22/2019 at Kenzy Consulting, Inc (The Patient Station). All affected medical marijuana has a label affixed to the container that, at a minimum, indicates the license number of the marijuana facility that obtained the marijuana product, as well as the production batch number assigned to the marijuana product.

This recall affects the following marijuana flower products sold from Kenzy Consulting, Inc (The Patient Station) - License PC-000154 located at 539 South Huron, Ypsilanti, MI:
