

Good Afternoon,

Attached you will find the FY22 Quarter 4 Foodborne Illness Outbreak Report. If you do not have Excel on your computer, you can download a free version of Excel viewer by going to the following website: <http://www.microsoft.com/downloads/details.aspx?FamilyID=c8378bf4-996c-4569-b547-75edbd03aaf0&displaylang=EN>

If your agency has reported any foodborne outbreaks to MDARD that are still pending a final report, it will receive this spreadsheet again in a separate email, listing pending final reports on the Pending FBD Reports tab. See below for more information on reporting requirements.

******* Action Item*****:**

1. Please reconcile the attached list with your agency's list and send to MDARD any missing reports.
2. If your agency receives notification of outbreaks still pending final reports, send MDARD any outstanding final reporting documentation for those events reported by your agency.

Foodborne illness outbreak final report documents can be emailed to MDARD-MI-FSPR@michigan.gov or szegedyh@michigan.gov. Please refer any outbreak questions to Lisa Hainstock at hainstockl@michigan.gov or (517) 284-5701.
