

Quarantine Facility Checklist

- ☐ Separate quarters with separate bathroom facilities for each individual or group
- ☐ No close congregation for social or dining activities
- ☐ Food delivered to the individual or group
- ☐ Overhead announcements and/or group text messages used to share information instead of physical gathering
- ☐ Quarters should have a supply of face masks for individuals to put on if they become symptomatic
- ☐ Determine who will provide each service identified
- ☐ Garbage collection (garbage should be bagged and left outside by the door of each individual quarters). Special handling is not required
- ☐ Appropriate infection control capabilities to manage initial clinical assessment of individuals who become ill
- ☐ Accommodations for staff
- ☐ Each residential space, all common areas for staff members, and each clinical evaluation room has alcohol-based hand rubs as well a sink with soap and paper towel
- ☐ Appropriate PPE (N95, disposable face shields, disposable gowns and gloves) are maintained in each clinical assessment area
- ☐ A system for temperature and symptom monitoring is in place for the individuals/family groups in separate quarters
- ☐ The location is secure against unauthorized access and is appropriate for enforcing quarantine, if needed

Wrap around services.

List services and who will provide those services.
