

Rapid Response Teams (RRT) Computer-to-Computer/Sea-to-Sea (C2C) 2020 Annual Meeting

- ❖ December 1-3, 2020; Noon - 4:00 PM Eastern, daily
- ❖ Audience: federal, state, and local agencies participating or interested in the RRT Program
- ❖ Register via FoodSHIELD (you do not need an account to register)
 - ❖ Webinar links will be sent to registered attendees prior to the meeting date
 - ❖ To receive registration information for the small-group roundtable discussion sessions, register by October 9, 2020.
 - ❖ Registration for the general sessions will be accepted through November 13, 2020.

Please join us at this year's virtual C2C meeting as RRTs from sea-to-sea share accomplishments, best practices, and challenges from the past year.

RRTs are multi-agency, multi-disciplinary teams that operate using Incident Command System (ICS)/National Incident Management System (NIMS) principles and a Unified Command structure to respond to human and animal food emergencies.

Visit our [webpage](#) to learn more about the RRT Program.
