RE: Quarantine Compliance

To: _____

This letter confirms that you have complied with active monitoring quarantine requirements as requested by the Ottawa County Department of Public Health and have self-reported to be asymptomatic (i.e., no fever, cough, or shortness of breath).

With the completion of this monitoring period:

1. Your movement and activities (e.g., travel, work, school, or use of public conveyances) should not be subject to any restrictions beyond those applicable to the rest of the general population.
2. Your receipt of medical care should not be subject to any additional precautions or isolation measures beyond those typically used.

Sincerely,

Lisa Stefanovsky, M.Ed.
Health Officer
