Driving after using marijuana can be unsafe for you and others.

You could get arrested if you are driving after using marijuana.

How can marijuana change my driving?

- It makes you think slower
- It is harder to focus
- You may go too slow or too fast

I've smoked or eaten marijuana. What do I do?

Plan to be in a safe place after smoking or eating marijuana. To be safe, you could:

- Have someone drive you
- Call a friend or a family member
- Stay where you are
