Seeking a part-time organized, detailed oriented, pragmatic, and collaborative Counselor or Mental Health Therapist to join the school health team based in our Brethren Wellness Center in Manistee County.

Specific qualifications and educational requirements:

- Master's prepared graduate of an accredited school of social work, counseling, or related program.
- Fully licensed Master of Social Work-Clinical or Fully Licensed Professional Counselor by State of Michigan and qualified to receive third-party insurance payments for mental health services preferred. Will consider limited license (supervision is included for limited license social workers and counselors).
- One year experience providing adolescent/family social work in a community health setting preferred.
- Communication skills necessary to interact appropriately with adolescents, parents/guardians, co-workers, school staff, and the public through listening, speaking, and understanding.
- Demonstrates the ability to work as member of a multi-disciplinary team and collaborate with variety of internal and external contacts in developing and implementing comprehensive assessments and plans of care.

Duties to include:

- Working independently and with minimal supervision, provides counseling/therapy services in school-based Adolescent Health Center, assisting adolescents in defining their social, emotional, and environmental needs; and enabling adolescents to recognize and utilize internal and external resources to address issues and problems and resolve needs.
- Responsible for delivery of care through assessment, planning, implementation and evaluation of services.
- Collaborates and consults with multidisciplinary team to achieve desirable outcomes for adolescents, their families and school community.
- This is a part-time position that will work 2 days per week in Brethren Schools with the option of reducing hours in the summer months.
- Pay will be based on licensure, experience, and qualifications. Limited License starting wage is \$28.88/hr. Fully Licensed starting wage is \$31.97.
- Conducts comprehensive psychosocial assessment of adolescents to identify sources of issues or problems, and determine appropriate paths to optimum mental, emotional and physical health.

This position will be open until September 15, 2026.
