Seeking a full-time organized, detailed oriented, pragmatic, and collaborative School Health Counselor or Therapist to join our school health team based in Wexford County.

General Responsibilities

Working independently and with minimal supervision, provides counseling/therapy services in school-based Adolescent Health Center, assisting adolescents in defining their social, emotional, and environmental needs; and enabling adolescents to recognize and utilize internal and external resources to address issues and problems and resolve needs. Responsible for delivery of care through assessment, planning, implementation and evaluation of services. Collaborates and consults with multidisciplinary team to achieve desirable outcomes for adolescents, their families and school community. Conducts comprehensive psychosocial assessment of adolescents to identify sources of issues or problems, and determine appropriate paths to optimum mental, emotional and physical health. Maintains pertinent and timely documentation of assessments, plans and interventions. Collects and maintains information for quality assurance indicators as required.

Minimum Requirements

- Masters prepared graduate of an accredited school of social work, counseling, or related program.
- Fully licensed Master of Social Work-Clinical or Fully Licensed Professional Counselor by State of Michigan and qualified to receive third-party insurance payments for mental health services preferred. Will consider Limited Licensed individuals.
- One year providing adolescent/family social work in a community health setting preferred.
- Ability to perform role responsibilities with minimal supervision, within scope of practice, and seek guidance from Mental Health Supervisor as needed.
- High-level discretion and commitment to comply with established patient confidentiality and health information integrity following policies and procedures.
- Current CPR certification required.
- Cultural sensitivity and ability to work with diverse communities and families.
- Excellent written and verbal interpersonal communication skills; and ability to analyze and interpret detailed and complex or nuanced qualitative and quantitative data.
- Reliable transportation with valid Michigan driver's license and certificate of insurance to travel to other locations for work, training, or meetings.

Position open until 9/4/2026
