

Hello, my name is Kayla Dixon and I am a COVID-19 Testing Liaison with the Michigan Department of Health and Human Services (MDHHS). I wanted to reach out regarding the COVID-19 testing options for YMCAs and summer camps for 2023. MDHHS will be providing free COVID-19 Antigen point-of-care (POC) and over the counter (OTC) test kits to all YMCAs and summer camps servicing K-12 aged students.

Please join me on **April 26th at 10 am** for a brief meeting to review COVID-19 testing at your camps. The meeting will include:

- A discussion on the types of tests being offered.
- CLIA waiver requirements.
- How to order your test kits.
- An open forum for questions.

Below you will find the meeting invite. If you are unable to attend, please let me know at MDHHS-COVIDTestingSupport@michigan.gov.
