of Pediatrics,
Michigan Medicine*

Sharon Swindell,
MD, MPH, FAAP

*Academic General
Pediatrician and Child
Health Advocate*

**Michelle
Richard**

*Policy Advisor,
Early Childhood,
Governor Gretchen Whitmer*

Lynette Biery,
PA-C, MSc

MODERATOR
*Strategic Director,
Zero to Thrive*

Friday, November 20 from 1:00-2:00pm

Zero to Thrive at Michigan Medicine presents a discussion for childcare providers regarding young children during the COVID-19 pandemic as we enter flu season. A panel of pediatric experts will discuss preventative measures to keep children and their providers healthy, the overlap of flu and COVID symptoms, screening protocols, and recommendations for discussing these issues with parents. A representative from Governor Whitmer's office will address updated guidelines for childcare providers.

Webinar registration: <https://bit.ly/KidsCovidFluSeason>

Registration is required. Attendees can still register on the event date and once the webinar starts. If you are unable to participate at the scheduled time, this webinar will be recorded and available to view at a later time by visiting <https://zerotothrive.org/thriving-childcare/>
