*Recommendations per the CDC, MDHHS, and local health departments (DHD10, CMDHD, MMDHD)	

Why should you do what is *recommended*?

Under the Revised School Code, public schools have a responsibility to provide “for the safety and welfare of pupils while at school or a school sponsored activity or while *en route* to or from school or a school sponsored activity” ([MCL 380.11a](#)).”

Why you should do what is *required*?

For individuals who do not report as required, or who impede public health in its duty to implement and enforce laws to protect the public’s health, these sections from the Michigan Public Health Code apply:

[333.1291 Obstruction of person enforcing health law](#)

A person shall not wilfully oppose or obstruct a department representative, health officer, or any other person charged with enforcement of a health law in the performance of that person’s legal duty to enforce that law.

[333.1299 Violation as misdemeanor; prosecution](#)

(1) A person who violates a provision of this code for which a penalty is not otherwise provided is guilty of a misdemeanor.

(2) A prosecuting attorney having jurisdiction and the attorney general knowing of a violation of this code, a rule promulgated under this code, or a local health department regulation the violation of which is punishable by a criminal penalty may prosecute the violator.

Furthermore, teachers and administrators are [certified](#) in Michigan. Certain criminal convictions may result in denial, suspension, or revocation of the certificate by the State Superintendent [[MCL 380.1535a](#)].
